

# Light The Fire – Fusebox

6-string

< guitar typical sus'd power chords: E=022100 B=x44000 A=022000 >

## Verse:

**E**                      **B**                      **A**                      **B**  
*I stand to praise you, but I fall on my knees*  
*I feel your arms around me, As the power of your healing begins*

**E**                      **B**                      **A**                      **B**  
*My spirit is willing, But my flesh is so weak*  
*Your spirit blows through me, Like a mighty rushing wind*

## Chorus:

**A**                      **B**  
*Light the fire In my soul*

**A**                      **B**  
*Fan the flames Make me whole*

**A**                      **B**  
*Lord you know Where I've been*

**A**                      **B**                      **E**  
*So light the fire in my heart again*

[ 2<sup>nd</sup> time repeat Chorus ]

**A**                      **B**                      **E**  
*So light the fire in my heart again*
